

Assessment Plan

2021-22

CUL - Honors Program

University Mission: George Fox University, a Christ-centered community, prepares students spiritually, academically, and professionally to think with clarity, act with integrity, and serve with passion.

Program Mission: Provide an excellent great books education that forms students to be Christian thinkers who will go forth into the world and strengthen the church in the 21st century

Alignment With GFU Mission: Aligns most strongly with CT1 (Liberal Arts Foundation) and CT3 (Christ-centered Community), as well as CT4 (Local and Global Engagement).

Degree Outcomes: Students will grow in:

- writing proficiency
- reading comprehension
- presentation competence
- charitable discourse
- collaborative problem-solving
- analytical and critical thinking
- adaptability and creativity

Assessment Lead: TBD

Outcome: Outcome 1.1 - Great Conversation

Graduates will demonstrate familiarity with the Great Conversation, synthesizing ideas from across the curriculum in order to respond to a question of contemporary concern.

Outcome Status: Active

OutcomeType: Core Theme #1: Liberal Arts Foundation

Assessment Tools

Capstone Assignment - HNRS 450 final paper (Active)

Target: 80% of students will earn a 'B' (better than competent) or higher on their HNRS 450 final paper.

Schedule for Data Collection: Annually by May 31st (beginning 2018, when we have our first graduating class)

Schedule for Data Analysis & Reporting: Annually by August 15th (beginning 2018)

Related Goals
