### Enrollment Confirmation

2013 Fall Term

Our records show you're planning to attend this fine university in the term shown above. Fantastic! We're holding our breath, hoping you can confirm that those plans are still on. You can do that by reading the fine print below and choosing Accept.

By clicking accept, I agree to the terms and conditions associated with my enrollment. I understand that this confirms my intention to attend classes in the term listed above. If I should choose to cancel my enrollment or withdraw from the institution I understand it is my responsibility to contact the Registrar's Office to file for a leave of absence or withdraw from the institution.

I understand that I am responsible for all costs associated with my enrollment and that failure to make payment by each due date will result in a 1% late payment fee calculated on the past due balance (12% APR) in addition to enrollment and transcript holds. I also understand that my account may be reported to a national credit bureau and if my account must be submitted to a collection agency, I am responsible for all costs incurred including attorney and collection fees.

Accept  Decline

You might be feeling a few negative waves emanating from portions of that fine print -- We're sorry, but our lawyers make us say it. We are looking forward to seeing you!
