

## Vehicle registration

All vehicles brought to campus, whether owned by employees, students, or the university, must be registered with Security Services. Employees and students must register within one week of campus activity. **Students who fail to register on MyGFU by the add/drop date will be issued and charged for a non-refundable permit.**

Vehicles that do not comply with proper registration, parking regulations, and permit placement will be cited and potentially booted or towed for excess violations.

**Vehicle registration process:** Registration is available online through MyGFU. Parking permits will be delivered through campus mail unless other arrangements are made.

**Parking permit placement:** All student permits must be affixed to the lower-left driver's-side of the exterior rear window. Vehicles displaying permits in any other way will be ticketed and fined for not properly displaying the permit. All hangtag permits must be hung from the rearview mirror.

Commuters may register up to two vehicles; on-campus students may register one vehicle.

## Permits

**Security Services** issues various types of permits. These permits are assigned based on the vehicle owner's type of activity at the university. Permit exchanges (due to a change of vehicles, residence, or replacement of window) are available at no extra cost. Replacement permits due to loss/misplacement are \$5. Staff may purchase additional permits for \$5 each.

## Visitors

**Daytime visitors** are encouraged to register upon campus arrival. All overnight guests are required to obtain a visitor's permit and park in designated visitor's spaces.

Students must obtain gratis temporary permits for any vehicle brought to campus other than the registered vehicle. These are available 24/7 at the security office. Please call 503-554-2090 if it is after office hours.

## Tickets and appeal process

For a list of violations and fines, the appeal process, and the full parking policy, go to [security.georgefox.edu](http://security.georgefox.edu).

## Off-campus parking regulations

Due to crowded adjacent city streets, George Fox requires employees, students, and visitors to park in designated parking facilities. This is not a city ordinance, but a way for George Fox to be a responsible member of the Newberg community and to promote a positive witness. This is called the "Good Neighbor Policy." This area includes the two block areas beyond Meridian Street, Fulton Street, Villa Street, and Hancock Street.

If you live within the good neighbor zone, bring proof of address and a gratis neighborhood permit will be issued.

The authority to ticket off-campus comes from the university's ability to establish policies governing student conduct. Failure to comply with this policy is the same as failure to obey any university policy. Students receiving tickets for parking in restricted off-campus areas will be treated as any other violator of parking policies. Parking on-campus is a privilege which can be revoked.

# Campus Parking and Traffic Regulations

2011-12

## Parking Zones

 Resident (west)

 Resident (east)

*Any full-time student living in campus facilities*

Residents are allowed to park in their assigned areas ONLY – solid and slashed colored lots. The permit will denote “RE” or “RW” to indicate east or west side of campus. Canyon Suites are considered “RE.”

 Commuter

*Any full- or part-time student living off campus*

Commuters are allowed to park in the red and blue *slashed* lots ONLY.

**They are outlined in green.**

No street parking allowed.

 Visitors

Please procure a visitor’s permit at the security office and park in these locations:

- Visitor’s row in Stevens and Hoover lots
- Bauman lot
- LeShana lot
- Villa Academic Complex lots
