Choose one statement: I am the Veteran \_\_\_\_\_ I am using Transfer of Entitlement \_\_\_\_\_

I understand that:

- I must notify the GFU Veteran's coordinator if I change my degree objective.
- An evaluation of prior credit is required whenever I change my degree objective.
- All classes I take must apply directly toward my declared degree objective. If I drop a class or take a class that does not apply to my degree objective, I will be responsible for any overpayment that is due to the VA. **Hybrid courses may be deemed "distant learning" and therefore may affect your living stipend.**
- I must report to the GFU Veteran Coordinator any changes in my enrollment status, *i.e. adding or dropping a class. Notifying the registrar does not constitute Notifying the Veterans Coordinator.*
- Please see the GFU catalog for academic policies.
- I authorize the release of my veterans' status to other GFU departments such as Disability services, Health and Counseling, Financial Aid etc.

I have read and understand the above statements and authorize George Fox University to release information about me necessary for the processing of my VA educational benefits, including but not limited to academic grades, GPA, academic standing, and program completion. I understand a file will be maintained by the university to meet compliance with VA regulations and for reporting and record keeping. I understand I am solely responsible for contacting the VA and/or the university with questions regarding my file. College records may be reviewed by authorized VA representatives to ensure compliance with applicable laws and regulations.

We are not the Veterans Administration. Based on information provided by you and/or university records, we report class registration, tuition and fees, registration changes and final grades to the VA for determination of payment eligibility. Stipend and pay issue questions should be directed to the VA at 1-888-442-4551. *Please, direct education benefit questions to the Veterans Coordinator first.*
