**Area Preferences**

*Please rank the following areas in order of preference (1 highest – 4 lowest). Please note that you may be considered for all areas, even those areas outside of personal preference.*

- |                 |        |            |        |
|-----------------|--------|------------|--------|
| Residence Halls | Suites | Apartments | Houses |
|-----------------|--------|------------|--------|

**Residence Life**

How would you describe your Residence Life experience as an RA? (Please describe two positive things that you learned and one element that could have been better for you.)

What are your top StrengthsFinder strengths and how have they played themselves out within your area and within the staff this past year? If you have not taken the StrengthsFinder assessment what are the top leadership skills/qualities you can identify in yourself and how do they play themselves out within your life?

Read Matthew 28. Please reflect on how this passage relates to the residence life experience:

**Assistant Area Coordinator (AAC) Supplemental Information**

**Assistant Area Coordinator**

If hired, how would you contribute to making the GFU residence life program stronger?

How would you hope to support your AC and how would you hope to be supported by your AC?

What do you see as being the most critical elements of the AAC position? How do your gifts line up with these elements?

How would you, in conjunction with your AC, hope to contribute to the development of your staff and living area?

From your perspective are there areas that the residence life program needs to improve? If so, how would you contribute to making those areas stronger?
