**\*\*Cleaning Charge:**

All summer residents pay a cleaning charge to offset the additional costs of cleaning summer residences.

- This charge is not a deposit and is not refundable.
  - In determining the amount of this charge, the University assumes that students will provide a basic level of cleaning in their residence at the end of the summer.
  - Additional charges may be incurred if summer residence areas are not sufficiently cleaned at the end of summer. Specific details regarding cleaning summer residences will be provided along with check out information.
- 
- 

**Assignments:**

- Houses and apartments are used for summer housing.
  - We have limited ability to consider living area preferences for summer housing.
  - Summer housing assignments are primarily based on our needs to facilitate summer check-out/fall check-in during August.
  - You will receive your summer housing assignment on the day of check-in.
- 
- 

**Check-In Information:**

- Summer residences will be available starting Monday, May 4<sup>th</sup>.
  - If you are participating in Juniors Abroad and returning for summer employment, you will check-in *after* you return from Juniors Abroad.
  - If you are a May Term student who will be staying on-campus for summer employment, then you will have one housing assignment for the whole summer.
- 
- 

**Checkout Information:**

- Checkout runs from August 10<sup>th</sup>-August 21<sup>st</sup>. Most checkouts will happen around August 15<sup>th</sup>.
- You will move into your fall housing during checkout.

- If you are living off-campus in the fall, please note that your on-campus housing may end as early as August 10<sup>th</sup>.
- If you are not available during your assigned checkout time, you may need to checkout early and move your belongings into storage until your fall housing is ready.
