RELATED SKILLS

Languages: Intermediate-advanced fluency in Spanish, including medical terminology (typically able to interview, assess, and educate Spanish-speaking clients without need of an interpreter). Basic skills in American Sign Language.

Technology: Well-versed in usage of Microsoft Office programs and comfortable with both PC and Mac interfaces. Designated "Super-User" for clinic transition to electronic medical records with *MicroMD*. Currently using *Athena* charting system and *Epic*. Past training in *McKesson* charting as well.

Music: Proficiency and multiple public performances on harp, trumpet, euphonium, and handbells. Current member of Newberg Community Band, Chehalem Symphony Orchestra, and Newberg Friends Church Handbell choir. Former member of the Cascade Community Chorus and Zing! (women's chorale) in Chehalis, WA, First Baptist Church youth handbell choir director, adult handbell ensemble co-director, and trumpet private lesson instructor. Active composer and arranger. Wrote and fully orchestrated *Theories of Transition*, performed by the George Fox University Wind Ensemble, Spring 2006.

Hobbies: Amateur photography (family portraits, senior pictures, engagement photo shoots), scrapbooking, quilting, knitting, stained glass.
