   • The cost is approximately $139 + $20 (proctoring) = $159, which you will pay online with a credit or debit card to LTI.
   • Most oral proficiency interviews take around 30 minutes, though there is some variation.
   • Contact Language Testing International regarding the posting of your scores. PLEASE NOTE: IT IS THE STUDENT’S RESPONSIBILITY TO CONFIRM AND WORK WITH LTI REGARDING EXAMS.

3. Writing
   After completing the OPI, students will write in Spanish for 45 minutes in the Spanish Office using “Blue Book’ in the Spanish department, providing a hand-written sample that includes the following: 1. An introduction to the student in the format of a letter to a pen pal. 2. A description of past Spanish studies, trips to Spanish speaking countries, interests with the language, a discussion of future hopes, dreams and plans, and any other pertinent information in a format of a descriptive essay. 3. 10 lines of imaginary dialog between you and God. 4. 1 to 2-paragraph ad for an agency specializing in ecotourism, focusing on attracting tourists to a Spanish, speaking country; you pick the country.

In order to waive or receive credit for SPAN 302, the sample must do the above and also show solid command of the subjunctive and conditional tenses, strong organizational and transitional ability, as well as vocabulary clusters typically covered in SPAN 302.
