I am the chaplain at the Clark County Family YMCA. I am an ordained, recorded Quaker minister. I hold a master of divinity degree and a certificate in spiritual formation; I am also a certified spiritual director. I have been a youth pastor, an associate pastor, and a senior pastor. I have spent time inside the walls of the church, but God has called me outside of the church, a place that was modeled for us by Jesus. I love the YMCA and believe in its mission. I am married to my lovely wife Laurie. We have three children and two grandchildren. In my past life, before ministry, I was the vice president of operations for Lithtex Printing Solutions.
