

Jack Lyda, MA

Adjunct Faculty

Email: lydaj@georgefox.edu

I have more than 30 years of experience in operations and management, mostly as an officer and pilot in the U.S. Air Force. During that time, I was stationed in Mississippi, Texas, North Carolina, Germany, and Denmark. I also served in Saudi Arabia, Kuwait, Iraq, and Bosnia.

Academic Background

- MA, Military Studies - Air Warfare, American Military University
- BS, Physical Education, George Fox University

Expertise and Interests

I am interested in sports, fitness, and healthy living. When I was younger, I enjoyed football, basketball, volleyball, baseball, softball, tennis, racquetball, running, hiking, water skiing, and snow skiing. In recent years, I have scaled that back to softball, walking, hiking, and backpacking.

Outside the Classroom

My wife and I have two adult children. We enjoy living on a small farm in the country raising Shetland sheep, chickens, cats, dogs, and a llama.
