

Jennifer Overstreet, PhD

Adjunct Faculty

Email: joverstreet@georgefox.edu

I used to work as an enrollment counselor in the Adult Degree Program, and I understand the demands and needs of adult learners. I enjoy the opportunity to work with students on a different level than academic advising.

Academic Background

- MBA, George Fox University
- BA, Fine Arts, George Fox University

Expertise and Interests

I have worked in the estimating and billing department for the past six years for a mechanical contractor company based in Hillsboro. I work with numbers on a daily basis and have the opportunity to work on a variety of projects with multiple companies. In my role, I oversee the billing department.

Outside the Classroom

Sports in general are a big hobby of mine. I played college soccer at George Fox University as a traditional undergraduate student. Watching the Portland Timbers soccer team and Oregon Ducks football team are at the top of my list, but I am always up for watching almost any sport!

I enjoy photography, camping, and spending time with family and friends.
