

Trainees Admissions, Support, and Outcome Data

Internship Program Admissions

Date Program Tables are updated: August 27, 2018

Briefly describe in narrative form important information to assist potential applicants in assessing their likely fit with your program. This description must be consistent with the program's policies on intern selection and practicum and academic preparation requirements:

George Fox Integrated Care Internship is a consortium program, providing training for a wide range of psychological concerns within a medical setting. Training takes place at George Fox University located in Newberg, OR and Providence Medical Groups, located in Portland, OR and the metro area. Our goal is to equip interns to be generalist clinicians with competence in behavioral health integration.

Does the program require that applicants have received a minimum number of hours of the following at time of application? If Yes, indicate how many:

Total Direct Contact Intervention Hours	n/a	Y	Amount: 450
Total Direct Contact Assessment Hours	N	n/a	Amount: n/a

Describe any other required minimum criteria used to screen applicants:

Applicants must be from APA or CPA accredited programs. Masters degree and comprehensive exams must be completed by application deadline and dissertation proposal approved by ranking deadline.
