

## Trauma Response Institute - Master Schedule

\* Contact Jake Bassen, TRI Adm Assistant for more course and certificate details, at [tri@georgefox.edu](mailto:tri@georgefox.edu). Visit Anna Berardi if interested in completing the post-grad certificate in trauma response

\* TRMA courses are undergoing schedule shifts to avoid overlapping other courses as much as possible. T=Temp, indicates a term or dates that are temporary and will be moving in future terms.

\* Most TRMA courses include Online Seat Time activities. A professor might shorten some of the pre-scheduled face to face times listed below if more time occurs online.

\* [TRMA 571-573 \(TRMA research project\)](#) can be started in any term once you connect with Anna. And TRMA 543, 582, and the 571-573 sequence are held completely online using Zoom and other activities.
