

## Logging in to the DSO AIM System

After an initial meeting with the DSO, go to [georgefox.edu/dso/aim](http://georgefox.edu/dso/aim) and log in by clicking on the Sign In button and using your George Fox username and password.

The screenshot shows the George Fox University DSO AIM System interface. At the top left is the George Fox University logo. Below it is a navigation bar with "My Dashboard" highlighted. A breadcrumb trail shows "Home > Welcome to Online Services". A red button labeled "Login as User Feature" is visible, with a "Back to My Profile" link below it. A sidebar menu shows "Home" expanded to "Online Services Home". The main content area is titled "WELCOME TO ONLINE SERVICES" and contains a section "PLEASE CHOOSE FROM THE FOLLOWING OPTIONS" with four buttons: "Sign In" (mouse cursor icon), "New Student Application" (power icon), "Sign Up as Notetaker" (notepad icon), and "Faculty Login" (graduation cap icon).
