

Logging in to the DSO AIM System

1. After an initial meeting with the DSO, you will be sent an email with a username and password.
2. Go to georgefox.edu/dso/aim and log in using your username and password.
3. Click **Change Your Username and Password** to create your own login information. We suggest that you use your GFU username.

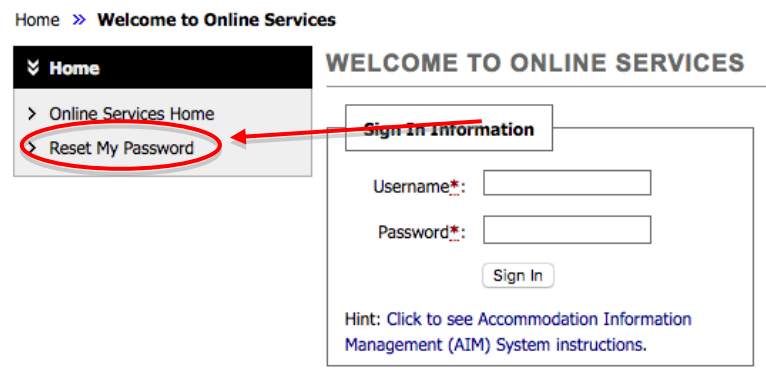

Note: When you change your username and password, you will be asked to sign in again using your new login information.

You can change your login information at any time via **Change My Login Information** link in the **Navigation Sidebar** on the left.

If You Forget Your Password:

If you forget your password, navigate to the login page and click on the **Reset My Password** link. You will be asked for some identifying information. Then the system will generate a new password and send it to the email address that you have specified in your profile.
