

You Have Been Selected for Verification

Dear GFU Student,

You are receiving the enclosed 2017-18 Verification Worksheet because your FAFSA has been selected for verification. **You are required to complete the verification process before we can disburse your need-based financial aid.**

What is Verification?

Verification is the process we use to confirm that the household and tax data reported on your FAFSA is accurate.

FAFSA randomly selects 30% of students to complete verification. George Fox also requires verification for all new students. We want to make sure you don't make mistakes that might cost you aid.
