

Significance

People who are especially talented in the Significance theme want to be very important in the eyes of others. They are independent and want to be recognized.

General Academic Life Tips

- Think about why a particular class is important to your future.
- Identify three of your personal goals and connect them to your academic life.
- Take control of your life, beginning with your education.
- Create a list of goals that will bring you great satisfaction in your personal life. Then consider how college can help you reach those goals.

Extracurricular Activities

- Take part in activities that display and make use of your confidence -- make public appearances, climb mountains.
- Run for an elected office.

Career Development Tips

- Significant people do significant things. Imagine the legacy you want to leave. Picture yourself at retirement, looking back on a life that has made the world a better place. What will you have you done to accomplish that?
- Environments in which you and your significant contribution are visible to others and in which you receive recognition for a job well done are likely to bring out your best.
- Knowing you've made a significant contribution is important to you. Volunteer in organizations where you can make that difference and where your efforts will be appreciated.
- Seek opportunities to work with people you respect because they are professional, credible, and successful.
- Environments in which you are given flexibility to do things your own way are likely to bring out your best. Identify the specific talents that will help you make an extraordinary contribution to your workplace, and create opportunities to build on them.
