

# Campus Parking and Traffic Regulations

2024-2025

## VEHICLE REGISTRATION

### Register within one week of campus activity

All vehicles brought to campus, whether owned by employees, students or the university, must register on MyGeorgeFox. Vehicles that do not comply with proper registration, parking regulations and permit placement will be **cited** and potentially **booted or towed** for excess violations.

### To register

Use your George Fox username and password to login to MyGeorgeFox. Register under Campus Resources. Parking permits will be mailed to the mailing address indicated on vehicle registration form. Allow two to three weeks for the permit to arrive.

## OFF-CAMPUS PARKING

Due to crowded adjacent city streets, George Fox requires employees, students and visitors to park in designated parking areas. This is not a city ordinance, but a way for George Fox to be a responsible member of the Newberg community and to promote a positive witness.

If you live within a two-block radius of campus, bring proof of address and vehicle information to the Campus Public Safety office and a gratis neighborhood permit will be issued.

### Tickets and Appeal Process

For a list of violations and fines, go to [georgefox.edu/safety/tickets](http://georgefox.edu/safety/tickets).

For information about the appeal process, go to [georgefox.edu/safety/tickets](http://georgefox.edu/safety/tickets).

Once your car is parked on campus, we strongly recommend you not attempt to move to a different parking space on campus between 8 a.m. – 5 p.m.

## VISITORS

Daytime visitors are encouraged to register upon campus arrival. All **overnight guests** are required to obtain a visitor’s permit and park in designated visitor’s spaces.

## PERMITS

Campus Public Safety issues various types of permits. These permits are assigned based on the vehicle owner’s type of activity at the university. Permit exchanges (due to a change of vehicle, residence or replacement window) are free. Replacement permits are \$5.

**Resident Student** One vehicle

**Commuters** . . . . . Up to two vehicles that they personally own. Students may not register other students’ cars unless married.

**Staff** . . . . . Additional permits are \$5 (Hang from rearview mirror)

Students must obtain gratis temporary permits for any vehicle brought to campus other than the registered vehicle. These are available 24/7 at the Campus Public Safety office. Please call 503-554-2090 if it is after office hours.

### Placement

**Student Permits:** Parking permit must be affixed to exterior of vehicle and **must be clearly visible** from rear of vehicle.
