

VEHICLE REGISTRATION

Register within one week of campus activity

All vehicles brought to campus, whether owned by employees, students or the university, must register on MyGFU. Vehicles that do not comply with proper registration, parking regulations and permit placement will be **cited** and potentially **booted or towed** for excess violations.

To register

Use your George Fox username and password to login to MyGFU. Register under GFU Resources. Parking permits will be mailed to the mailing address indicated on vehicle registration form.

OFF-CAMPUS PARKING

Due to crowded adjacent city streets, George Fox requires employees, students and visitors to park in designated parking areas. This is not a city ordinance, but a way for George Fox to be a responsible member of the Newberg community and to promote a positive witness.

If you live within a two-block radius of campus, bring proof of address to the security office and a gratis neighborhood permit will be issued.

Tickets and Appeal Process

For a list of violations, fines, the appeal process and the full parking policy, go to security.georgefox.edu.

Once your car is parked on campus, we strongly recommend you not attempt to move to a different parking space on campus between 8 a.m. and 5 p.m.

VISITORS

Daytime visitors are encouraged to register upon campus arrival. All **overnight guests** are required to obtain a visitor's permit and park in designated visitor's spaces.

PERMITS

Security Services issues various types of permits. These permits are assigned based on the vehicle owner's type of activity at the university. Permit exchanges (due to a change of vehicle, residence or replacement window) are free. The permit fee is not refunded for lost, damaged or stolen permits. Replacement permits are \$5. Permits are billed at \$60 per semester.

Commuters Up to two vehicles that they personally own; will only be charged for one permit. Married students should have only one spouse register both vehicles. Only one permit fee will be charged per married couple if this is followed. Students may not register other students' cars unless married.
