Residence Life

How would you describe your Residence Life experience during your time at GFU? (Please include relationships with your RA(s) involvement in Residence Life programs/activities, etc.)

Describe an experience where you took an active role in helping those in your living area bond with one another (residence area event, sports, service trip, Bible study, meals, hospitality, spontaneity, etc.):

What are some ideas on how you will develop community in your living area next year?

What makes you unique? What might that look like in the context of being an RA?
