

**Application must be TYPED**

What leadership qualities do you bring to a student leadership position?

Discuss how your ethnic and/or racial background contributes to your perspective on creating environments where such diversity is valued.

How would your current roommate describe you in regard to being a student leader?

What is the biggest challenge facing the Student Life program at George Fox?

Describe your thoughts about and experiences with the lifestyle expectations of the George Fox community:

**Faith**

Briefly describe your relationship with Jesus:

Describe how someone who does not know you well would know about and understand your faith in Jesus:

How has God shown himself in your life in the past 6 months?

**Application must be TYPED**

Please provide the names and e-mail addresses for each reference below. Residence Life applications require **5** references. See the requirements below corresponding to the position you are applying for. You are responsible for ensuring the submission of your references.

Houses

### Residence Life

How would you describe your Residence Life experience as an RA? (Please describe two positive things that you learned and one element that could have been better for you.)

What are your top StrengthsFinder strengths and how have they played themselves out within your area and within the staff this past year? If you have not taken the StrengthsFinder assessment what are the top leadership skills/qualities you can identify in yourself and how do they play themselves out within your life?

Read Matthew 28. Please reflect on how this passage relates to the residence life experience:

**Assistant Area Coordinator (AAC) Supplemental Information**

**Assistant Area Coordinator**

If hired, how would you contribute to making the GFU residence life program stronger?

How would you hope to support your AC and how would you hope to be supported by your AC?

What do you see as being the most critical elements of the AAC position? How do your gifts line up with these elements?

How would you, in conjunction with your AC, hope to contribute to the development of your staff and living area?

From your perspective are there areas that the residence life program needs to improve? If so, how would you contribute to making those areas stronger?
