

C3 CAMP: CODE, CREATE & COMPOSE

*Sponsored by George Fox University
Oregon Writing Project Collaborative (OWPC)*

Students entering grades 3-6 are invited to participate in **C3 CAMP** taught by experienced teachers. All students will receive a notebook, reading & writing materials and any necessary supplies.

Campers will:

- focus on inquiry and project-based learning
- utilize iPads and Chromebooks for their learning
- read and write in a friendly, supportive setting
- use programs like Hopscotch to code and create
- explore topics of interest through reading and writing.
- integrate writing with creative, hands-on design activities.

June 26-30
