DELIVERING SAVINGS AND CHOICE

RENT-A-TEXT

We know that going to college costs more than ever and that books are a big-ticket expense. To help ease the burden, we offer the option to rent your textbooks through our Rent-A-Text program. Renting your books through Rent-A-Text offers you the lowest upfront cost while still allowing you to use your books like you would if you bought them (highlighting and notes allowed!) Just look for the Rent-A-Text logo on our web page to determine if your book is available for rent. A reminder: to rent, you must be at least 18 years of age, provide ID and contact information, and have a major credit card.

Remember: Return your books at the end of the term to avoid late fees!

GO DIGITAL

George Fox University Bruin Store offers more digital course material choices than ever before! From digital textbooks and study guides to complete digital learning environments, we offer course materials to suit your unique learning style. Plus, digital course materials can often be used on the web, mobile, and tablet devices, so you can study where and when you want to. Almost all digital textbooks include built-in study features such as searchable text, highlighting and note-taking. Some even offer social learning capabilities that allow you to interact with your classmates and instructors within the text itself.

USED & NEW BOOKS

Used Books: Go green! Buying used textbooks saves you money...not to mention trees. If you want to keep your books for the future, used books are the most cost-effective option. Shop online at georgefoxshop.com for the largest inventory of used books anywhere.

New Books: Why would you want to buy a new book? Maybe you just love that new book smell or maybe you don't like to see what other students have highlighted. In some cases, your instructor wants to use a brand new edition of a book, and there aren't any used copies available.

The best part about buying your books? Getting the most money for them at the end of the term!
