- Early Application Deadline is October 26, 2018
- Late Application Deadline is January 25, 2019

Social work major course work, not including prerequisite courses, requires a minimum of four (4) semesters. Students must consider this prior to (1) changing majors and/or (2) transferring from another institution.

Admission Criteria and Application Process

Every student must meet the following minimum criteria prior to applying for official admission to the Social Work Program.

1. Be living in compliance with the university expectations & responsibilities (found in the University's *Student Handbook*).
2. Have an overall GPA of at least 2.5.
3. Complete of the following pre-requisite courses: PSYC 150, SOCI 150, and SWRK 180 with a minimum of a "C" in each.
4. Complete a written program application, including the following:

 - b. A copy of your professional resume
 - c. A copy of your unofficial transcript for all coursework completed
 - d. Personal Narrative

Admission Decisions

The BSW Admission Committee will review applications and interview content to make an admission decision. Students will receive a formal decision letter in the mail. Students must be formally admitted to the Program to enroll in Social Work Major courses beyond SWRK 180, unless they are completing the requirements of a Social Welfare minor.

1. Admission to the program may be conditional or probationary for one semester.
 - a. *Conditional* admission may be granted for candidates who lack a prerequisite or who are not yet completely certain if the major is an ideal "fit" for them.

- b. *Probationary* admission may be granted for candidates whose overall GPA is below the 2.5 requirement.

Students admitted under either the conditional or probationary classifications will not be able to enroll in field or practice courses until conditions are resolved and/or the student's overall GPA is raised to 2.5 and the GPA in social work prerequisite courses is a "C" or above. Any exceptions to this standard will be handled on a case by case basis.

2. Students admitted on probationary or conditional status must resolve any specified deficiencies within the next semester.
3. Retention in the Social Work Program will be based upon periodic faculty review.

George Fox University's BSW program requires a minimum cumulative GPA of 2.5. Students should be aware however, that most graduate programs require at least a 3.00 cumulative GPA for admission.

All students who meet the minimum requirements stated above are invited to apply, and no student will be denied admission on the basis of race, national or ethnic origin, gender, age, marital or veteran status, disability, religion, or sexual orientation. All students are expected to be in compliance with the standards set forth in the George Fox University Standards of Conduct.

Educational & Social Philosophy:

It has been the historic practice of George Fox University to provide equal opportunity in education and employment without regard to race, national or ethnic origin, sex, age, or disability.

The BSW Program at George Fox University is set within the framework of Christian higher education and aims to provide liberal arts, pre-professional and professional training in a setting that is vitally Christian, intellectually vigorous, socially wholesome, and physically healthful. It is assumed that sound scholarship, Christian faith, and experience are mutually interdependent and meaningful, and that sound education must correlate these in the growing experience of the student.

The goal of the George Fox University lifestyle standard is to create a community in which individuals are encouraged to be transformed into the image of Christ. In addition, we desire that our common life would reflect the teachings and Spirit of Christ in all that we do and say. The Community Lifestyle Statement is available at: <http://www.georgefox.edu/about/beliefs/lifestyle.html>

Attendance Policy for Bachelor of Social Work Program

Students are expected to attend all classes. Attendance demonstrates commitment to learning and preparation for the profession of social work. The behavior pattern demonstrated in class attendance may be indicative of commitment in a field practicum setting.

If a student is unable to attend a scheduled class session the student is responsible for notifying the instructor in advance by phone, email or written note explaining the need for absence. Absence from twenty percent (20 %) or more of the scheduled class sessions is considered excessive absence. The twenty percent includes all types of absences (illness, sanctioned university events, etc.). Any student who misses more than twenty percent (20 %) of classes in a required social work course will be asked to **drop** the course or will be given a **failing grade** of C- or below.

Students who request an excused absence due to personal or family emergency should obtain documentation from the Dean of Students Office and provide it to the course instructor. Students who miss three or more consecutive classes due to personal illness should obtain documentation of extended illness through the Student Life Office or Health and Counseling Services.

Appeal Process

If a student wishes to appeal a decision based on the attendance policy, the appealing student must submit a written request for an exception to the attendance requirement prior to the drop/passing date to the course instructor and the BSW Program Director. The instructor in consultation with the program director has the authority to deny or grant any such petition.

Professional Conduct

As developing social work professionals, students are expected to demonstrate courtesy and professional behavior in their interactions with faculty, staff, field personnel, clients, and peers. Expected professional behavior in the classroom includes being on time, being prepared for class, remaining on task in class, active listening, and treating others in a respectful manner regardless of difference. Students are expected to abide by the *NASW Code of Ethics* and the Professional Expectations for Social Work Students outlined in the *BSW Program Student Handbook* and the *BSW Field Practicum Manual*. Students will be evaluated in their classes using the BSW Program's Professional Behavior Rubric, and their score on the rubric will be factored into the final grade of their classes.
